

## Character Variants in BabelStone Han v. 11.0.3

| Code Point | Default Glyph | Character Alternate 1 (cv01) |
|------------|---------------|------------------------------|
| U+3779     | 窳             | 窳                            |
| U+3A30     | 擻             | 擻                            |
| U+3A81     | 攷             | 攷                            |
| U+3A88     | 鼓             | 鼓                            |
| U+3A8E     | 敫             | 敫                            |
| U+3A9C     | 敲             | 敲                            |
| U+3A9E     | 毘             | 毘                            |
| U+3AA2     | 數             | 數                            |
| U+3AAC     | 黻             | 黻                            |
| U+3B07     | 喚             | 喚                            |
| U+3B19     | 暁             | 暁                            |
| U+3D18     | 湄             | 湄                            |
| U+3E94     | 獯             | 獯                            |
| U+40E3     | 礪             | 礪                            |
| U+4227     | 籒             | 籒                            |

| Code Point | Default Glyph | Character Alternate 1 (cv01) |
|------------|---------------|------------------------------|
| U+43D3     | 𦏧             | 𦏧                            |
| U+4420     | 𦏨             | 𦏨                            |
| U+4443     | 𦏩             | 𦏩                            |
| U+4788     | 𦏪             | 𦏪                            |
| U+48AD     | 𦏫             | 𦏫                            |
| U+49B1     | 𦏬             | 𦏬                            |
| U+4BA7     | 𦏭             | 𦏭                            |
| U+4C62     | 𦏮             | 𦏮                            |
| U+4D1F     | 𦏯             | 𦏯                            |
| U+4DB0     | 𦏰             | 𦏰                            |
| U+4DB1     | 𦏱             | 𦏱                            |
| U+4DB2     | 𦏲             | 𦏲                            |
| U+5192     | 𦏳             | 𦏳                            |
| U+52D6     | 𦏴             | 𦏴                            |
| U+5406     | 𦏵             | 𦏵                            |
| U+5645     | 𦏶             | 𦏶                            |
| U+57E9     | 𦏷             | 𦏷                            |

| Code Point | Default Glyph | Character Alternate 1 (cv01) |
|------------|---------------|------------------------------|
| U+5A59     | 姪             | 姪                            |
